

*Managed Solutions for Digital Imaging Workflow*

## **Evolved Renews Relationship with Alliant**

**Montréal, (Québec, Canada) – April 19, 2006 / CNW/ - Evolved Digital Systems Inc. (TSX: EVD)**, a leading healthcare technology solutions company, and Alliant Purchasing, LLC. (Alliant) announced today that they have signed an agreement to extend their exclusive relationship for an additional five years. Under this agreement, Evolved will continue to be the sole provider of digital imaging workflow solutions recommended to facilities covered by the Louisville, Kentucky-based Alliant.

“We are pleased to extend our relationship and regional agreement with Evolved for another five years,” stated Joe Broyles, Vice President of Alliant. “We strive to make current technology cost effective to our small acute care facilities and are convinced that Evolved offers a superior product. Evolved’s Managed Services model allows them to provide excellent IT support which enables us to offer a digital imaging workflow solution at a cost that minimizes the use of scarce capital resources.”

“Evolved is pleased to continue our relationship with Alliant,” stated Bill Greer, Executive Vice President of Evolved. “This agreement allows individual facilities to leverage Alliant’s combined purchasing power to obtain an integrated RIS/PACS solution with Evolved’s unique managed services approach. Alliant has completed the upfront due diligence necessary to save their facilities time and effort in the purchasing process. With this partnership, Evolved is able to reach a broader audience with a shorter sales cycle than would otherwise be available.”

### **About Alliant Purchasing**

Alliant is jointly owned by Blue Management Services, LLC. (a division of Blue & Co.) and the Norton Healthcare System, the largest Healthcare System in Kentucky. Norton’s shareholder position in Premier National Purchasing Alliance allows Alliant to extend affiliate sponsorship to hospitals wishing to access the Premier programs. Alliant differs from most other Premier owners by providing an infrastructure of support and regional contracts, which has been developed over a fifteen-year period.

### **About Evolved**

Through its Digital Imaging Workflow Solution, Evolved has become a leading healthcare technology solutions company. Evolved delivers a web-based, fully managed RIS/PACS imaging solution with crucial extra features such as integrated workflow, online dictation/transcription, secure off-site archiving, patient data and scheduling, plus seamless interfacing and a dedicated team of experts to support the total imaging solution. Evolved’s services and enabling technologies transform hospital and clinical imaging departments from manual to digital-based systems, improving efficiency, turn-around time, and patient care.

Evolved is a publicly traded company listed on the Toronto Stock Exchange (TSX: EVD). Corporate headquarters are based in Laval, Quebec. Evolved’s U.S. headquarters are located in Brentwood, Tennessee.
